

MATERIAL SAFETY DATA SHEET

1 / 4 Connect Marketing International Limited

PRODUCT NAME: Lifestyle Baby Wipes 80s

PRODUCT CODE: 5070

1. IDENTIFICATION OF THE FORMULATION

Classification: This is a personal care product for general public to use

Chemical name: Not applicable

Hazard Symbol: No significant hazard

Supplier: Connect Marketing International Limited
3, Marlborough Way, Haydock Industrial Estate, St. Helens,
Merseyside, WA11 9FT UK

Emergence: NHS 111 (England), NHS 24 (Scotland) or NHS Direct (Wales).

2. COMPOSITION INFORMATION

Hazardous ingredients: Product does not contain ingredients considered hazardous as defined in USA 29 CFR 1910.1200 and EU Council directive 76/768/EEC

Other ingredients: As printed on the package.

3. IDENTIFICATION OF THE FORMULATION

Fire: Upper Flammable Limit: Not applicable
Lower Flammable Limit: Not applicable

Contact: Eye Contact: No eye irritation potential
Skin Contact: No skin irritation potential

Inhalation: Unlikely due to physical form

Ingestion: The wipe substrate may cause transient gastrointestinal irritation or blockage if ingested

4. FIRST AID MEASURES

Skin: In the unlikely event that irritation occurs, flush with water. If irritation persists, seek medical attention.

Eyes: If eye contact occurs, flush with water. If irritation persist, seek medical attention.

MATERIAL SAFETY DATA SHEET

2 / 4 Connect Marketing International Limited

Inhalation:	Unlikely due to physical form
Ingestion:	Accidental ingestion of the wipe substrate may necessitate medical attention. If symptoms persist, seek medical attention.

5. FIRE-FIGHTING MEASURES

Extinguishing media:	Not applicable
Unsuitable extinguishing media:	Not applicable
Unusual firefighting hazard:	Not applicable
Special firefighting procedure:	No special protective equipment needed beyond routine firefighting gear
Combustion products	None

6. ACCIDENTAL RELEASE MEASURES

Personal precaution:	None
Precaution to environment:	Not applicable
Cleanup procedure:	Take up mechanically (sweeping, shoveling) and collect in suitable container for disposal

7. HANDLING & STORAGE

Handling precautions:	No unusual precautions necessary
Storage:	Store in suitable tightly sealed container and protect from heating/freezing.
Unsuitable packaging material:	Not applicable
Incompatibilities:	Not applicable
Other information:	Not applicable

8. EXPOSURE CONTROL AND PERSONAL PROTECTION

Exposure control:	None required with normal handling or consumer use.
Exposure for hazard ingredient:	None required with normal handling or consumer use.
Personal protective equipment:	None required with normal handling or consumer use.
Respiratory:	None required with normal handling or consumer use.
Hand:	None required with normal handling or consumer use.
Eye:	None required with normal handling or consumer use.
Skin:	None required with normal handling or consumer use.
Industrial hygiene:	None required with normal handling or consumer use.
Other information:	None required with normal handling or consumer use.

MATERIAL SAFETY DATA SHEET

9. PHYSICAL & CHEMICAL PROPERTIES (of the liquid absorbed on the wipes)

Physical form: Clear/slight yellow liquid.

Density: 1.00±0.01

pH: 4-6

Flash point: Not applicable

Index of Refraction: Not applicable

V.O.C. (Volatile Organic Content): Not applicable

10. STABILITY AND REACTIVITY

Stability: No decomposition if stored normally

Reactivity: None under normal use

Conditions to avoid: None under normal use

Materials to avoid: Avoid contact with other chemical products.

Hazardous decomposition: None known

11. TOXICOLOGICAL INFORMATION

Ingestion: Result in transient stomach upset

Skin: Wipes are expected to be mild in their effect on the skin

Eyes: Wipes are expected to be mild in their effect on the eyes

Inhalation: No chronic health effects reported.

Oral: Ingestion can result in transient stomach upset.

Other health hazard information: No chronic health effects reported.

LD₅₀ of finished product: None known

12. ENVIRONMENTAL INFORMATION

Environmental fate and distribution: The product ingredients are expected to be safe for the environment at concentrations predicted under normal product use and distribution. Packaging components are compatible with the conventional solid waste management practices

Air: Not applicable

Water: Not applicable

Terrestrial Environment: Not applicable

Eco-toxicity: Not applicable

Persistence and degradation: None known

BOD & COD: None known

MATERIAL SAFETY DATA SHEET

4 / 4 Connect Marketing International Limited

Degradation: None known

13. WASTE DISPOSAL

Product disposal: The user's attention is drawn to the possible existence of national regulations regarding disposal.

Package disposal: The user's attention is drawn to the possible existence of national regulations regarding disposal.

14. TRANSPORT INFORMATION

Road & rail transport: Protect from heating or freezing. This product is not regulated for transportation.

Sea transport: Protect from heating or freezing. This product is not regulated for transportation

Air transport: Protect from heating or freezing. This product is not regulated for transportation

15. REGULATORY INFORMATION - EC directive Classification & Labeling

Hazard Symbol: No significant hazard

Risk phrases: R22, Harmful if swallowed

R36, irritating to eyes

R38, irritating to skin

Safety phrases: S26 In case of contact with eyes, rinse immediately with plenty of water and seek medical advice.

16. OTHER INFORMATION

According legislations: This safety data is in compliance with directives and adapting of EU Directive 1999/45/EC and 2001/58/EC.

Important remarks: The above information is believed to be correct but does not purport to be all inclusive and shall be used only as a guide. This company shall not be held liable for any damage resulting from handling or from contact with the above product. Perfumes contained within the product covered by this MSDS comply with the appropriate IFRA guidance.
